About This Collection

GlowHorn After Hours runs past midnight, and Lost & Found, the Pokemon story posted as 寻人启事, works a missing-person thread instead. Tagged pages lean into femsub, with a foxboy, frombehind framing, furry detail and a gaytostraight turn, one figure leaningforward into the next panel. Chinese fan translation credits sit beside most entries, machine translated in places, and image numbers run past one hundred. Open the full gallery through the link above.
