About This Collection

Xoophilia gathers a fictional lineup where nothing stays human for long: a parasite, a monster, a futanari, and Queen Chrysalis in full unguligrade anthro form. Kinky, non-binary, and adult throughout, with Nico's cheating femboy submissive thread running alongside. Lucy and Selena share a Pokemon scene, Hoihoi handles the grotesque details, Eisekil and Zeus96 bring the furry work, and Ceroba steps in from Undertale.
